

Belgrade, March 2018-03-29

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and uploading of the Communication on Progress report (COP) that emphasizes all the efforts of Societe Generale Srbija in order to maintain financial institution who gives its continued support for the UN Global Compact.

Due to the organizational matters, we are late with posting our report, which gives the description of practical actions of SGS regarding the Principles of the UN Global Compact.

We hereby kindly ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our report will be posted on the UN Global Compact website by April 30th at the latest.

Sincerely yours,

Ivana Todorović,
Head of External Communication, Societe Generale Srbija
