To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to the big structural changes that took place at Kaunas University of Technology (KTU) recently and due to these changes KTU haven't had any coordinator for the Global Compact activity for a long period of time.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by the 1st of July, 2018 at the latest.

Sincerely yours,

Ms. Jurgita Šiugždinienė
Kaunas University of Technology Rector ad Interim
