

March 26, 2018

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the main issue areas of the UN Global Compact and a measurement of outcomes or expected outcomes.

We are realigning COP deadline with our internal end of fiscal year reporting and annual updates to our Board of Directors.

We respectfully request our COP deadline to be adjusted to November 1st, 2018.
