Dear Ms Kingo,

I am pleased to confirm that Oversea-Chinese Banking Corporation Limited (OCBC Bank) reaffirms our support to the Ten Principles of the United Nations Global Compact reflecting Human Rights, Labour, Environment and Anti-Corruption.

We published our inaugural Sustainability Report this year, providing an overview of our sustainability approach, and including policies, performance and targets of our material ESG factors. In this report, we provide an abridged view of some of our actions taken to continually improve the integration of the Global Compact and its principles into our business strategy, culture and daily operations. This report was prepared in accordance with the Global Reporting Initiative (GRI) Standards – Core Option, as well as GRI G4 Financial Sector Disclosures.
