ENABLING SMART  
infrastructure

1<sup>st</sup> May 2018

To our Stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to a reason that the Company is in the stage of comprehensive implementation of all the Global Compact principles and the assessment is ongoing.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by 30<sup>th</sup> July 2018 at the latest.

Sincerely yours,

Graham Walker  
General Manager
