

Sudanese Assembly of Youth

مؤسسة الشاب السوداني

Date: May 6, 2018

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to the fact that the whole organization was going through a handover process which lasted for a year. The handover process resulted in:

- Replacing the executive board members and management team members.
- The whole organization is going through a re-designing and re-missioning phase, which include a complete socioeconomic study on our target population (Sudanese Youth).

Due to the fact that this is a huge sample and a huge step plus our organization doesn't embrace low-quality work; the socioeconomic study is taking a lot of effort and time to carry.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by 4th of August 2018 at the latest.

Sincerely yours,

Ms. Noon A. Elhussein
