To our stakeholders

May 10th, 2018

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to Administrative Audit by Jeju special self-governing province Audit & Inspection Commission and Public Service Management Evaluation by Ministry of Public Administration & Security.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by August 14th, 2018 at the latest.

Sincerely yours,

Mingyu Lee
