To our stakeholders,

GRACE LETTER

We recognise that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact and a measurement of outcomes or expected outcomes.

We are delayed in creating, sharing and posting our COP report due on 12th May, 2018.

We hereby ask for an extension period in order to be able to post a COP that describes our Company's effort and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 12th August, 2018 at the latest.

Yours sincerely,
