To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes

We are late in creating, sharing and posting our COE report due to we had a technical problem related to different, in particular we had to insert certain mission reports from our delegates who had to return from their missions.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by May, 31, 2018 at the latest.

Sincerely yours,

For Fosbes
