

GLOBAL COMPACT
United Nations New York, NY

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the delivery date of our 2017 Sustainability Report to the UN Global Compact this year has coincided with the implementation of other urgent strategic projects in Irizar Group.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 31st August 2018 at the latest.

Sincerely yours,

Mr. José Manuel Orcasitas Landa
CEO Irizar Group
