## Grace Period for Submission of COP

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to structural changes in our company, projects dedicated to introduction of General Data Protection Regulation in the EU and creation of a new Human Right Policy for our enterprise.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by the 15<sup>th</sup> of July 2018.

Sincerely yours,

Christian Uhl

CEO
