Renewing Commitment to UN Global Compact Initiative

Lernia AB supports the ten principles of United Nation Global Compact in Respect to Human Rights, Labour Rights, Environment and Anti-Corruption. With this communication, we express our continued support in advancing those principles within our sphere of influence. We commit to making the Global Compact and its principles part of the strategy, culture and day to day operations of our company and undertake to make a clear statement to our employees, partners, clients and the public of this commitment.

We recognize that a key requirement for participation in the Global Compact is the annual submission of the Communication of Progress (COP) that describes our effort to implement the ten principles. We support public accountability and transparency, and therefore commit to continue reporting annually according to the Global Compact COP policy.

Sincerely yours,
