UN Global Compact
Communication on Progress: TGS-NOPEC Geophysical Company ASA

Statement of Continued Support

To our stakeholders,

I am pleased to issue this Statement of Continued Support, reaffirming TGS-NOPEC Geophysical Company ASA's support and dedication to the United Nations Global Compact and its ten principles on sustainability. TGS continues to incorporate into its strategy, culture, and operations the Global Company's principles on human rights, labor, environment and anti-corruption.

In this annual Communication on Progress, we refer to our 2017 Corporate Social Responsibility Report, which is aligned with our annual financial reporting structure and summarizes TGS' key activities in 2017. We also direct you to our website for additional information on TGS' commitment to corporate social responsibility: <http://www.tgs.com/about-tgs/policies/sustainability/>

TGS remains committed to sharing this information with stakeholders through our primary communication channels as part of our annual reporting.

Sincerely,

A handwritten signature in dark ink, appearing to read "Kristian Johansen". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
