

As Pontes, 24th May 2018

To whom it may concern:

ENCAPSULANTES DE VALOR AÑADIDO, S.A. (EVASA), recognizes that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the unavailability and sick leave of the responsible person for the report.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted in the UN Global Compact website by 22th August 2018 at the latest.

Sincerely yours

José María González Pardo

CEO
