Subject: COP / Request for grace period

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

I am travelling to New York next week to meet with a representative from the UN Global Compact and we would like to delay sharing our report until after those discussions have taken place, as we have some questions that would be useful to clarify.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 27th of August 2018 at the latest.

Sincerely yours,
