Varaždin, 1st June 2018

Dear Sirs,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the recent changes in management of the Agency. Also, we are going through a process of restructuring of the core activities of the company in order to follow the recent changes in the national legislation.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 31st August 2018 at the latest.

Sincerely yours,

AZRA d.o.o. ★
