

COMMUNICATION ON ENGAGEMENT

From: June 2016

To: June 2018

PART 1: Statement of Continued Support by the Chief Executive or Equivalent.

June 2018

To our Stakeholders:

I am pleased to confirm that Innovate4Right reaffirms its support to the United Nations Global Compact and its Ten Principles in the Areas of Human Rights, Labour, Environment and Anti – Corruption. This is our Communication of engagement, with the United Nations Global Compact. We welcome feedback on its contents.

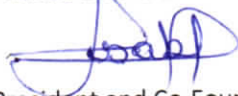

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact.

In this Communication of engagement, we describe the actions that our organisation has taken to support the UN Global Compact and its principles as suggested for an organisation like ours.

We also commit to sharing this information with our stakeholders, using our primary channels of communication.

Sincerely Yours,

Patricia Ebakisse
