**Grace Period Request (participant ID 13183)**

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Stuttgart Airport issued its previous COP report on 05 July 2017. The date of publication of our annual report – and accordingly of our COP report – is linked to the meeting of our supervisory board. Because the board meeting has been moved to a later date this year, our report for the year 2017 will be published on July 10 2018. Therefore, we would like to request an extension period for the COP submission. Our new COP report will be posted on the UN Global Compact website by 20 July 2018 at the latest.

Yours sincerely

Flughafen Stuttgart GmbH
