

June 7, 2018

To our stakeholders,

We recognize that participation in the UN Global Compact requires sharing a Communication on Progress (COP) comprising a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact and a measurement of outcomes or expected outcomes.

We are currently in the process of developing a combined COP and GRI report. We hereby ask for an extension period to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by October 5, 2018 at the latest.

Sincerely

Southwire Company, LLC
