To whom it may concern:

We are in knowledge that it is a requirement to prepare an annual publication of a Communication on Progress (CoP) or Sustainability Report, to participate in the United Nations Global Compact. Nevertheless, we see ourselves in the need to inform you that have had difficulties that have prevented us to complete it opportunely.

Therefore, we hereby ask for an extension period in order to be able to post a CoP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new CoP report will be posted on the UN Global Compact website by July 31, 2018 at the latest.

Sincerely,

A handwritten signature in dark ink, appearing to read "Virginia Trujillo".
