

June 15th, 2018

To our Stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

I am in charge of the preparation of Résistex COP. As I was injured in an accident a few days ago, and on medical leave for two months, I won't be able to finish the preparation of our COP on schedule.

I hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Our new COP report will be posted on the UN Global Compact website by september 7th 2018, at the latest.

Sincerely yours,

Ms. Odile COLLIN
Responsable Organisation et Performance Durable
