| Policy No.: | AFM-POL.5.0 |
| Superseded Policy: | Original |
| Effective Date: | 27.June.2016 |
| Issue Date: | 27.June.2016 |

Issued by:

Salah Rajhi
General Manager

1. Objective:

Advanced Facilities Management (together with its subsidiaries, or the "Company") are committed with the UN - Global standards on the Environmental stewardship.

- (1) Support a precautionary approach to environmental challenges;
- (2) Undertake initiatives to promote greater environmental responsibility; and
- (3) Effectively encourage the development and diffusion of environmentally friendly technologies.

2. Scope:

AFM believe in a sense of responsibility and contribution to society that defines our existence. Our business is conducted in an ethical way meeting the economic, socio-cultural and environmental expectations of various stakeholders composed of investors, suppliers, employees, customers, government and other associates.

AFM conducts its businesses in an environmentally responsible manner. We assess and address any adverse environmental impacts resulting from our business activities, as appropriate. We will seek to contribute to the preservation of the natural environment in which we operate.

AFM want to establish a brand of excellence, incorporate environmental practice and social responsibility'.

3. Statement of Policy:

Advanced Facilities Management LLC is committed to protecting the local and global environment of the earth. To minimize its environmental impacts concerning our activities, products and services, we shall: -

- Comply with applicable legal requirements and other requirements to which the Company subscribes which relate to its environmental aspects.
- To include the consideration of environmental issues in all business strategies and initiatives.
- AFM senior management are committed to ensure that protection of the environment is firmly embedded in both our company's and employees culture and will endeavor to influence its suppliers and customers in a similar strategic environmental manner.
- Prevent pollution, reduce waste and minimize the consumption of resources.
- Consider the wider global impact of all our activities including those of our suppliers, customers and other stakeholders.
- Educate, train and motivate employees to carry out tasks in an environmentally responsible manner and ensure that a continuous professional development strategy remains core to our business goals.
- Encourage environmental stewardship among suppliers and subcontractors.
- To investigate the feasibility of influencing its suppliers, customers and third parties with particular consideration to life cycle impacts of their significant aspects and activities.
- Encourage and enhance biodiversity and ecology.

The Company is committed to continual improvement of environmental performance. This Policy will be communicated to all staff, contractors and suppliers, and will be available for the public in a manner chosen by Advanced Facilities Management LLC.

AFM Environmental policy corresponds to our Group commitments:

In 2013, AFM voluntarily signed the United Nations Global Compact. The United Nations Global Compact is a strategic policy initiative for businesses that are committed to aligning their operations and strategies with (10) ten universally accepted principles.
