Dear Mr. Secretary-General

I am pleased to confirm that Nigeria Liquefied Natural Gas Ltd ("NLNG") reaffirms its support to the ten principles of the United Nations Global Compact ("UNGC") in the areas of Human Rights, Labour, Environment and Anti-Corruption.

As a key requirement for participating in the Global Compact, we are submitting the 2017 NLNG Sustainable Development Report as our annual Communication on Progress to highlight key actions taken in the year 2017 to make the UNGC and its principles an integral part of the strategy, culture and day-to-day operations of our company.

With this communication, we express our intent to continue to implement projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals, within our sphere of influence. We are also committed to share this information with our stakeholders and the general public using our primary channels of communication.

Sincerely yours,  
For: Nigeria LNG Limited.
