Airtel RDC, is a telecommunications company of Bharti Airtel Group operating in the DRC for more than 17 years.

Bharti Airtel Limited is a global telecommunications company with operations in 16 countries in Asia and Africa. Headquartered in New Delhi, India, the company ranks among the world's top three mobile subscriber service providers with more than 413.8 million customers through operations in late March 2018.

In several of its operations, the company's product offerings include 2G, 3G and 4G wireless services, mobile commerce, fixed line services, home broadband, DTH (Direct To Home) as well as data transfer services nationally and internationally.

Our vision is to connect the people of Africa to one another, empowering them to create opportunities, dream big and transform their lives. Through technology, we will improve the lives of communities by enabling young people to take full advantage of the opportunities of the future.

In order to support our values of SOLIDARITY, DYNAMISM and RESPECT, our mission is to provide world-renowned technology to serve and provide an easy and reliable way to bring people together.

By committing ourselves to the UN GLOBAL COMPACT Network, we support the 17 Sustainable Development Goals defined by the United Nations, through actions that contribute to the social change of populations.
