Oslo, Norway

To our stakeholders: We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to our Consultant of HSE/CSR being involved in our GDPR project as our Data Protection Officer. This has taken more time than anticipated and therefore the CSR report and the COP is delayed.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 01.09.2018 at the latest.

Sincerely yours,

Merete K. A. Wigernes
Head of HSE,
