

Abu Dhabi 4<sup>th</sup> July, 2018

Ref : MGT/116/2018 ; Extension period letter

To Our Stakeholders,

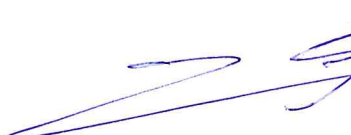

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in producing, sharing and posting our COE report since the necessary information is gathered from both administrative and academic departments of our institution, which are involved in the production of the report.

We hereby ask for an extension period in order to be able to post a COE that describes our organisations's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by the 20<sup>th</sup> October 2018 at the latest.

We thank you for this favour and assure you of our best co-operation always

Sincerely yours,

Pr. Eric Fouache
