Dear Mr. Secretary-General,

With this communication PJSC “RusHydro” is pleased to confirm the support for the ten principles of the Global Compact with respect to human rights, labour, environment and anti-corruption and expresses its determination to advance those principles within its sphere.

The company management is truly committed to the values of sustainable development and is focused on long-term value creation for the government, society, and shareholders and therefore PJSC “RusHydro” and its subsidiaries intend to engage in collaborative projects with the United Nations to foster the achievement of the Sustainable Development Goals.

Since PJSC “RusHydro” is already putting in significant effort to maintain high standards of ESG disclosure it will be a pleasure to submit the annual Communication on Progress (COP) in the form of externally verified corporate social responsibility report in accordance with GRI standards describing the practical actions the company undertakes to achieve Global Compact sustainability goals, including the targets and the key measurements of the progress made. The COP report shall contain the statement by the company chief executive expressing continued support for the Global Compact principles.

We would also like to inform you of the intent to submit the question of joining the Association “National Network of the Participants to the Global Compact for the Implementing the Principles of Responsible Business in Corporate Practice” (Russian Local Global Compact Network) to the to the Board of Directors and the General Shareholder’s Meeting of PJSC “RusHydro”.

Kind regards,

Chairman of the Management Board –
General Director
