July 17, 2018

To our stakeholders:

I am pleased to confirm that Everspin Technologies, Inc. reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labor, Environment and Anti-Corruption.

In our latest annual Communication on Progress, we have described our actions to continually improve the integration of the Global Compact and its principles into our business strategy, culture, and daily operations. We are pleased to say that we have put forth great effort into this and our dedication to this will continue into the future.

We also commit to sharing this information with our stakeholders using our primary channels of communication, which include our website and various discussions in face to face meetings with customers, potential customers, and our suppliers.

We appreciate the opportunity to be involved with the United Nations Global Compact.

Respectfully Submitted,
