To our stakeholders:

Wonkwang University recognizes that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report **due to re-organizing the report multi-directionally in order to take a social responsibility, and release a correct information.**

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by **October 18th, 2018** at the latest.

Sincerely yours,
