

23rd July 2018

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to air operator compliance audits which have been on going in our organisation for the last 3 months, the exercise is now complete, and we will now work on completing and submitting our COP.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 15th August 2018 at the latest.

Yours Sincerely

Mr Eric Mutinda Kivindu
CEO/Accountable Manager
