

UNCG

Deventer, 26 July 2018

Dear Sirs,

With this letter I would like to request a grace period for 90 days to submit the progress report on the global sustainable goals.

The reason for requesting this grace period is that the previous responsible person within Auping for reporting has handed over those responsibilities before leaving the organization and we were not able to assign it until recently.

Therefore, we will need additional time to complete the progress report.

Yours faithfully,

Koninklijke Auping bv

Mark Groot Wassink
