30<sup>TH</sup> July, 2018

To our stakeholders:

RE; SUBMISSION OF COP.

We appreciate that a key requirement for preparation of COP that comprises the full year report on our business.

We are late in submission on the report due to the fact that our CEO has not been in the country for a few months this year.

Now she is back and we request for a three months grace period for us to compile and submit the same report. This will help us to come up with the detailed and accurate report for the full year.

We do commit ourselves to do the same and share this report on or before 31<sup>st</sup> August 2018.

Yours Faithfully,

Jamleck Ndegwa.  
Accountant.
