

[11/7/2018]

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to all representatives of the UNGC Club, at the American University in Dubai, being out the country as the university is currently in its Summer II Session.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by [23/10/2018, max. 90 days from COP deadline] at the latest.

Sincerely yours, Mrs. Tala Makhoul and Ms. Jessika Papadopoulou.
