

To whom it may concern:

We are pleased to share our **Sustainability Report** (CoP), which describes the most important initiatives implemented during 2017 and part of 2018, to guarantee energy sustainability that contributes to the sustainable development of the communities we serve, as well as the wellbeing of our employees and environmental care.

Through these responsible practices, we sustained our commitment with the initiatives and principles promoted by the Global Compact.

Sincerely,

A handwritten signature in black ink, appearing to read "Abraham Bichara", with a large, stylized flourish extending from the end of the signature.

Abraham Bichara
