To our Stakeholders:

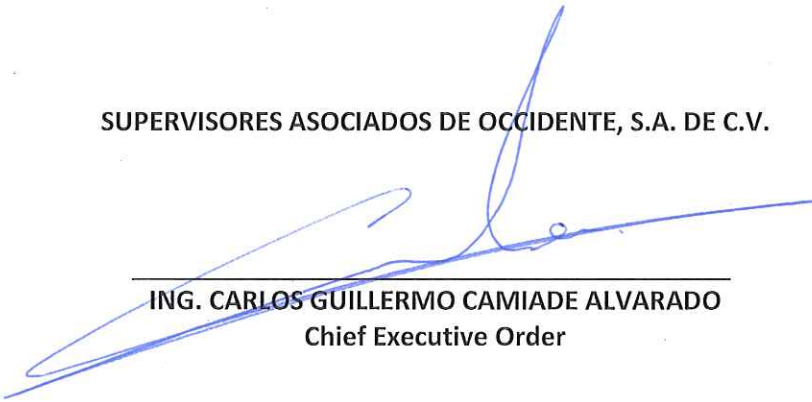

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the increase of work in the organization, besides that we are collaborating with the United Nations Global Compact, the International Association of Students of Economic and Commercial Sciences in Mexico (AIESEC), and Expo Guadalajara Foundation in the project "Puertas Abiertas a lesson of the present for the future" and this delayed us the previously programmed.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report Will be poste don the UN Global Compact website by september 17, 2018 at the latest.

Sincerely yours,

SUPERVISORES ASOCIADOS DE OCCIDENTE, S.A. DE C.V.
