Dear Mr Secretary-General,

COP Grace Period 2018

Orora recognises that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact and a measurement of outcomes or expected outcomes.

To ensure Orora can most effectively meet these requirements and ensure the information provided is as current as possible, Orora wishes to align its COP submission date to follow its Annual Report release to investors and the public which occurs annually during September.

Orora hereby asks for an extension period for the submission of the COP, with this to occur no later than 30 September 2018.

Sincerely yours,

Tony Hawthorne
