Re: United Nations Global Compact Communication on Progress – Extension Request

Dear United Nations Global Compact,

We are requesting an extension for our COP submission. While our 2017 Sustainability Report was published on June 28th and is available at <http://csr.goldcorp.com/2017/>, we are in the process of ensuring full quality and consistency in the PDF version. This will delay our sharing of our COP on the United Nations Global Compact website.

We hereby ask for an extension period in order to be able to post a COP that fully reflects our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by August 24, 2018 at the latest.

Sincerely yours,
