Grace Period Letter

15. August 2018
Seite 1/1

Dear Sir or Madam,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to preparing our sustainability report 2017 which will give a general view of the Group's attitude and activities as they relate to the various aspects of corporate social responsibility. The sustainability report will be a well founded basis for the following COP report.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by December 11, 2018 at the latest.

Sincerely yours,

Mr. Dr. Jochen Keysberg
