

CEO's Statement of Continued Support for the UN Global Compact and its Ten Principles

I am pleased to confirm that BONWS Seguros S.A reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labor, Environment and Anti-Corruption.

In this annual Communication on Progress, we described our actions to continually improve the integration of the Global Compact and its principles into our business strategy, culture and daily operations.

Our mission is to deliver a seamless experience through the health system for people in our diverse communities and quality health care. Over this time, we have gained richer understanding of how the opportunities of growing comes from solving key sustainability challenges. Our commitment and integrated initiatives to sustainability helps us to contribute to achieving our goals and a better world.

We also commit to share and communicate this information to our stakeholders and the general public using primary channels of communications.

Sincerely yours,

Luis Vera Pedro
