30th August 2018

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes

We are late in creating, sharing and posting our COE report because our annual report for 2017 is not yet ready.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 30 October 2018 at the latest.

Sincerely yours,

Yours faithfully

Dr. Musa Barrow
Executive Director
