

ICENECDEV
International Center for Environmental Education and Community
Development

A Statement of Continued Support by the Chief Executive

14th September 2018

To Our Stakeholders,

- I am pleased to confirm that ICENECDEV-International Centre for Environmental Education and community development reaffirms its support to the United Nations Global Compact and its ten principles in the areas of Environment, Human Rights, organized Labour and Anti-Corruption in aligning to the legal framework within the context of the 2030 agenda for sustainable Development and the Sustainable Development Goals(SDGs) and Paris Climate Agreement.

In this communication of engagement, ICENECDEV has promoted the following activities with stakeholders to support the United Nations Global Compact and its ten principles and engaged small and medium size companies and civil society organizations to promote employment and decent working conditions, protect child labour code and standard and take collective actions to protect the environment especially practical steps to mitigate climate change

- We are also committed to sharing this information with our stakeholders and network of partners across the world to take action forward to progress with the 10 Principles of the UN Global Compact within the context of the 2030 agenda for sustainable Development and the Sustainable development Goals(SDGs) and Paris Climate Agreement.

Sincerely Yours

Fongoh Eric

ICENECDEV General Coordinator

ICENECDEV
International Center for Environmental Education and Community Development

2. United Nations Global Compact Multi stakeholder Sensitisation Meeting on the 10 Principles of the UN Global Compact

On the 9th March 2018, ICENECDEV and Makonjo Media organized the United Nations Global Compact sensitization meeting with start up businesses and small and medium sized Enterprises to engage them as prospective active participants with the United Nations Global Compact in order to promote the 10 principles of the United Nations Global Compact within the thematic areas: Environment, Human Rights, Organised Labour and Anti-Corruption.

More than 30 start up businesses and small and medium sized Enterprises actively participated in the United Nations Global compact sensitization meeting to hopefully join the UN Global Compact as prospective participants in order to support the 10 principles, 2030 agenda for sustainable Development and the Sustainable Development Goals(SDGs).

This meeting was featured on the Guardian Post Newspaper, Monday 12th march 2018, Page 5(www.guardianpost.info)

Follow Up Activities

In this communication of engagement, ICENECDEV has promoted the following activities with stakeholders to support the United Nations Global Compact and its ten principles and engaged small and medium size companies and civil society organizations to promote employment and decent working conditions, protect child labour code and standard and take collective actions to protect the environment especially practical steps to mitigate climate change

Participants at the meeting

Lesson Learned:

- The civil society organizations and companies were interested to join the United Nations global compact and mainstream their activities to support the principles of the United Nations global compact within the context of the 2030 agenda for sustainable Development and the Sustainable development Goals(SDGs) and Paris Climate Agreement.
- The need of technical and financial resources to replicate the meeting and scale up the UN Global Compact activities in Cameroon inline to national policies and programmes within the context of the 2030 agenda for sustainable Development and the Sustainable development Goals(SDGs) and Paris Climate Agreement.

Recommendation:

- ICENECDEV is already working and partnering with Makonjo Media Cameroon and Chambers of Commerce to support United Nations Global Compact in Cameroon to establish the UN Global Compact Local Network

3.Measurement of Outcomes

- More than 100 organisations and Companies, have been educated and sensitized on the principles and benefits of the United Nations Global Compact and The companies are interested to join the United Nations Global Compact
- Create a public awareness on United Nations Global Compact in Cameroon among 2,000 stakeholders through press and social media briefings, press release and conferences in Cameroon.
- Engaged more than 30 companies taking practical actions to promote 10 principles of the UN Global Compact within the context of the 2030 agenda for Sustainable Development and Sustainable Development Goals(SDGs)
