25<sup>th</sup> September 2018

To our stakeholders,

To reflect our commitment to be a responsible company, and our willingness to embrace the UNGC principles, CMHL published its first sustainability report in 2018.

This document is available on our website<sup>1</sup>. It provides our stakeholders with an update about our progress regarding our sustainability roadmap, our “2025 Retail Plan”, and with a transparent mapping between our key performance indicators, our sustainability priorities and the UNGC principles.

We will disclose, and update our results, every year, before the end of April. As a result, we would like to align our COP deadline with our internal reporting cycle. We hereby request our COP deadline to be adjusted to the 30<sup>th</sup> of April 2019.

Yours faithfully,

Win Win Tint  
Chief Executive Officer
