Dear Mr Secretary General,

As Founder & Chairman and on behalf of the Board of the Arab International Women's Forum (AIWF), I have the honour and pleasure of confirming AIWF's continued and longstanding support of the Ten Principles of the UN Global Compact with respect to human rights, labour, environment, and anti-corruption.

With this commitment, AIWF expresses its utmost dedication to advancing these Principles within our broad and international sphere of influence, and to making a clear statement of our support to our stakeholders, our partners in the public, private and civil sectors, and our members.

We pledge to continue our participation and engagement with the activities and values of the UN Global Compact and acknowledge that a key requirement for participation in the UN Global Compact is the submission of a Communication on Engagement (CoE) that describes AIWF's efforts to support the implementation of the Ten Principles in our activities, outreach and initiatives.
