To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to a considerable number of projects and activities/programmes and time constraints in accomplishing them as scheduled, which also require assessments and reports writing to be fulfilled until due dates. These reasons caused that delay in submitting our COE.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by 26 November 2018 at the latest.

Sincerely yours,

Han-Beom You
