To our stakeholders

I am pleased to confirm that EcoAct reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment and Anti- Corruption.

Through this annual Communication on Progress, we express our commitment to continually improve the integration of the Global Compact and its principles into our business strategy, culture and daily operations. We also commit to share this information with our stakeholders using our primary channels of communication. The attached CSR report describes the main actions taken to make our commitment a reality.

Sincerely yours,
