To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP), comprised of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regards to the main issue areas of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We have been compliant with reporting our COP on time since we joined the UNGC in 2016, however, we seek to adjust the current COP deadline, based on the anniversary date of LMC's joining of the UNGC, to align our internal reporting cycle.

We hereby request our COP deadline to be adjusted to August 1, 2019 and will therefore submit our reports annually before the 1 August thereafter.

Kind regards,
