To our Stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due the institute's involvement in preparing for our reaccreditation by the Accrediting Council for Continuing Education and Training (ACCET). In fact, this is a very long and time-consuming process; where the entire institute is involved.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Our new COP report will be posted on the UN Global Compact website by [December 28<sup>th</sup>, 2018] at the latest.

Sincerely yours,

Zeinab Abdel Razek

Director of International Cooperation and
