

October 23<sup>rd</sup> 2018

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to Changes in the staff of the Sustainable Development Department, and the departure of the contact person MS Sherine El Shorbagy which resulted in some difficulties and delays in the compilation of the data for proper reporting on the activities related to the UN Global Compact principles and projects. Since IMC is committed to continue its engagement with the UN Global Compact we would appreciate a 90 days extension for the submission of the report to be able to fulfill all the requirements related to the issue.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by January 27<sup>th</sup> 2019 at the latest.

Sincerely yours,

Mr. Amr Mohamed Taha  
Deputy Executive Director IMC
