

23rd October 2018

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to our active participation at international events related with the 2030 Agenda and the Sustainable Development such as:

- **Siena Summer School on Sustainable Development:** Siena (Italy), 9th -21st September 2018 (<http://www.sdsn-mediterranean.unisi.it/2018/09/05/siena-summer-school-on-sustainable-development-september-10-21-2018/>)
- **CSR and Social Innovation Fair:** Milan (Italy), 2nd-3rd October 2018 (<http://www.csreinnovazionesociale.it>)
- **AsviS Report** presentation on the Italian performance related to the implementation of the SDGs; Rome 4th October 2018 (<http://asvis.it/presentazione-rapporto-asvis-2018/#>)
- **Global Compact Italy SDG Forum** – Matera (Italy) 11th -12th October 2018 (<https://www.globalcompactnetwork.org/en/news-and-events/news.html>)
- **Africa-Arab Disaster Platform on Disaster Risk Reduction** - Tunis (Tunisia) – 9th – 13th October (<https://www.unisdr.org/we/inform/events/57759>)

Moreover we are part of the organization of the 2018 European Forum on Disaster Risk Reduction which it will be held in Rome from the 21st to the 23rd of November 2018 (<https://www.unisdr.org/conference/2018/efdr>).

We hereby ask for an extension period in order to be able to post a COE that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COE report will be posted on the UN Global Compact website by 16/01/2019 at the latest.

Sincerely yours,

Prof. Luca Ferraris
