Paris October, 24<sup>th</sup> 2018,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to longer exchanges with some of our departments implicated in the writing of it. Please note that the renewal letter to the UN Global Compact has already been written and signed by our CEO and will be added to the COP.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by the end of January 2019 at the latest.

Sincerely yours,

Ms Samanta LE PONT
